Paul Johnson

James Wilcox, Jr.

George T. Sparks

## TOWN OF RANGELEY ANNUAL REPORT

### TOWN MANAGER'S REPORT

It is hard to put my thoughts on paper for my first report to the Citizens of Rangeley.

Coming to a new community in the month of January was surely a challenge. The help and support given me by the Board of Selectmen and the people who work in the Town Office has been a big plus, not only for me, but to the whole community.

The decision of the Townspeople in the vote taken at a special town meeting in October gave us the direction we needed to dispose of our solid waste and I expect that we will be operating a new facility by mid-summer.

A much needed truck and plow was acquired this year. The new loader and blower which arrived in November will, I believe, prove to be a valuable piece of equipment for the Town.

Hopefully the Airport Lighting Project will be put to rest soon with the power line being installed on Route 17 to the N.D.B. site, and the requirement of the Federal Aviation Administration that we clear and grub around the airport will be fulfilled.

The Quimby Pond Road was hot topped this year. Many of our roads need serious attention and plans will be under way to address some of these this year.

The coming of the condominium living concept and an increase in all types of construction have caused growing pains for the Town. The challenges in court have been expensive and have caused much added work for the Planning Board.

I am glad to report that the Committee to study our codes and ordinances have met several times and will continue to work on this project.

I wish to thank all of the many Boards, Committees and Commissions who so generously give of their time and talents for the betterment of the Town.

Each of our Departments and the people who work in the Town Office are doing a fine job for the Town and we are fortunate to have these dedicated people.

If you have any questions or comments about the affairs of the Town, please contact us at the Town Office.

I urge you to become involved in the Town.

Respectfully,

Richard M. Adams  
Town Manager

## TOWN OF RANGELEY ANNUAL REPORT

The following licenses were sold:

Fishing	164
Hunting	118
Jr. Hunting	26
Archery	2
Servicemen	3
Duplicates	6
Combination	154

As a reminder, any person who applies for a Maine license to hunt with firearms other than a juvenile license shall submit proof of having successfully completed a hunter safety course or evidence of having previously held an adult license to hunt with firearms.

Dog Licenses:

Males	64
Neutered Males	39
Females	16
Spayed Females	81
Kennel	5

I wish to thank the residents of Rangeley for their support and to the Deputy Clerks for their assistance.

Respectfully,

## TOWN OF RANGELEY ANNUAL REPORT

### TOWN POLICE REPORT

<b>Accident Reports:</b>	23 compared to 13 for 1984
<b>Complaint and Service Calls:</b>	489 compared to 529 for 1984
<b>Unfounded Complaint Calls:</b>	26 compared to 17 for 1984
<b>Dog Complaints:</b>	22 compared to 19 for 1984
<b>False Alarms (Burglary Systems)</b>	11 compared to 8 for 1984

I would like to thank the citizens of Rangeley for their continuing cooperation and financial support.

I would also like to thank all law enforcing agencies for their help and cooperation.

If you are in need of a Police Officer, a dispatcher is on duty 24 hours a day to assist you.

Please call: 1-800-492-0120

Respectfully submitted,

Ernest E. Allen  
Chief of Police

### PART-TIME POLICE REPORT

<b>Accident Reports:</b>	13 compared to 6 in 1984
<b>Complaint and Service Calls:</b>	371 compared to 419 in 1984
<b>Unfounded Complaint Calls:</b>	11 compared to 34 in 1984
<b>Dog Complaints:</b>	9 compared to 27 in 1984
<b>False Alarms (Burglary Systems)</b>	7 compared to 3 in 1984

Respectfully submitted,

Arthur Lemke  
Town Policeman

## TOWN OF RANGELEY ANNUAL REPORT

### REPORT OF THE WINTER PATROL

I have had the job as Winter Patrol for approximately six weeks now. As of now, I have made six (6) complete rounds of the camps in Rangeley. Under average weather conditions it takes about five working days or 40 to 45 hours to make a complete round.

On my first rounds I put out 600 new cards. The total number of buildings checked is nearly 800.

As of this date, I have found:

- 3 camp breaks
- 2 power lines down
- 2 open doors
- 6 windows open
- 1 fallen tree on a camp

All of these camp owners have been notified and repairs have been made. As of January, some camps have as much as 40 inches of snow on them. A notice will be put in the Rangeley Paper for all caretakers to be aware of the heavy snow conditions.

Respectfully submitted,

Raymond "Bud" Bartlett  
Winter Patrolman

### RANGELEY REGIONAL AMBULANCE REPORT

The Rangeley Region Ambulance Corp. (RRAC) responded to one hundred and thirty calls for assistance in 1985, one hundred and twenty-one which were transported for further medical care. This represents a seven percent increase over the previous year. Residents of the Rangeley Region compiled sixty-two percent of the calls, while out-of-town guests and summer residents made up the balance.

Members of the Corp logged one thousand one hundred and sixty-three hours of run time as well as partaking in bimonthly training/business meetings. This is a major time commitment for the fourteen members of the Corp. Many members also attended other training sessions outside of the Rangeley Region. These dedicated citizens should be highly commended for their commitment to providing our region with Advance Life Support and Emergency Care.

## TOWN OF RANGELEY ANNUAL REPORT

The new monitor/defibrillator that was approved for purchase at last year's Town Meeting was put to use thirty-three times over the past year. Its use on twenty-five percent of the runs, shows that it is a valuable piece of equipment. We thank the residents of Rangeley for their support in acquiring it.

This year it is necessary to replace one of our portable suction units that no longer meets State requirements. If we do not do this, our back-up ambulance in Oquossoc will not be re-licensed. This is an important item and will cost around five hundred dollars. There is an article requesting this money in the Town Warrant.

Once again the RRAC fundraising drive is on schedule. Thanks to the generous support of the residents of Rangeley, surrounding plantations and guests to the region, we have met our goal of fifteen thousand dollars for 1985. We will be raising the same amount this year to finish paying for our new ambulance.

We will be changing to a direct dial dispatch system before the busy summer months. This will allow for faster response time to the scene and give the caller direct access to an EMT by phone that can give instructions until the ambulance arrives.

The RRAC would like to thank the residents of Rangeley and surrounding communities for their continued support which enables us to provide care to those in need.

Respectfully submitted,

Deborah Freeman, Director  
Rangeley Region Ambulance Corp

February 4, 1986

Town Council  
Town of Rangeley  
Rangeley, Maine 04970

I have examined the financial statements of the various funds and account groups of the Town of Rangeley, for the year ended December 31, 1985, listed in the foregoing Table of Contents. My examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures considered necessary in the circumstances.

Budgetary control over grants included in Special Revenue Funds is maintained on the basis of the Grant's Fiscal period. Accordingly, a Statement of Revenues, Expenditures and Changes in Fund Balance - Budget and Actual for Special Revenue Funds for the fiscal year ended December 31, 1985, required by generally accepted accounting principles is not presented.

In my opinion the financial statements listed in the aforementioned Table of Contents present fairly the financial position of such funds and account groups of the Town of Rangeley, at December 31, 1985, and the results of operations of such funds for the year ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

In connection with my examination, I also (1) performed tests of compliance with the Revenue Sharing Act and Regulations as detailed in the Commentary of the Audit Requirements of the Local Government Fiscal Assistance Amendments of 1983, issued by the Office of Revenue Sharing, U.S. Department of the Treasury, and (2) compared the data on the appropriate Bureau of Census Form RS-9 with the audited records of the Town of Rangeley.

In my opinion, for the items tested, the Town of Rangeley complied with the aforementioned provisions of the Revenue Sharing Act and regulations. Further, based on my examination and the procedures referred to above, nothing came to our attention to indicate that the Town of Rangeley had not complied with the aforementioned provisions of the Revenue Sharing Act and Regulations.

The current year's supplementary data, included in the following schedules, have been subjected to the same auditing procedures and, in my opinion, are fairly stated in all material respects in relation to the financial statements taken as a whole.

*Edward J. McInnis*

## TOWN OF RANGELEY ANNUAL REPORT

### PLANNING BOARD REPORT

The Rangeley Planning Board meets twice a month to review all matters within its jurisdiction.

Member attendance for the past year has been averaging 90% at each meeting.

The Town has seen substantial growth in the past year, thereby placing the Planning Board in the position of a reviewing board, limiting its ability to function in its planning capacity.

The Planning Board has organized a review committee for the purpose of rewriting the Town's land use regulations, in hopes that the results will permit a more equitable means of dealing with property owners, builders and developers.

The Board also recognizes the need for a professional planner available to the Town, and a full-time Code Enforcement Officer.

### COMMITTEE TO RE-WRITE TOWN ORDINANCES

The Committee to review Rangeley's Comprehensive Plan, Ordinances and Building Codes has been organized into various sub-committee's, each to study designated portions of the material. It is recognized by the Committee that in order to successfully rewrite these documents so they will result in a reasonable measure of protection for Rangeley's future and insure its well ordered development, the services of a professional land use planner should be retained.

While the initial outlay of money may seem difficult, it will be a small investment in Rangeley's future if it properly controls development in this unique area.

Respectfully submitted,

Robert C. Griscom, Chairman  
Rangeley Planning Board

## TOWN OF RANGELEY ANNUAL REPORT

### **ADVANCE POLLUTION CONTROL FACILITY A Report on the Operation and Conditions**

To the Citizens of Rangeley, Maine:

1985 was a good year for treatment at the plant, with 32 million gallons of waste water since 1970.

Age problems are showing in both the plant and the collection systems; planned upgrading is under way. The aeration system is complete and operating very well at lower cost. This year will see the finish of the upgrade of the return Sludge System. Planned overhaul will occur in the filter, chemical feed, chlorine, and collection systems.

1985 saw a major repair of collection problems on School Street. Infiltration still accounts for over 10 million gallons of the total treated.

The Sludge Program worked well this year with 228,000 gallons removed, and topped with 8.5 tons of lime.

The Sewer Commission has written a Hud Grant for the repair of the collection system. CMP did an energy audit on the treatment plant, but the results were not conclusive.

The most complete advancement in 1985 was the Sewer Commission, which with four new members went from 4-5 meetings per year to 33 meetings in 1985, with all meetings having a quorum. The leadership of the Sewer Department is now firmly in the hands of five dedicated commission members. The sad fact is, however, that there is very little public input to the commission.

I'd take this time to thank George and Henry for faithful service, for the support of the highway crew and mechanic, and for Town Manager Adams, and Rachel and Georgia at the Town Office.

The last item I have is one of controlled growth. We have had three Condo projects approved for entry into the sewer. There has also been an application received, which if approved, will make it so that no other large projects will be able to be considered. The Sewer Plant will be maxed out, except for some single units. We will on paper have reached our maximum design loading of 140,000 gallons per day. Planning must now be done to see if growth will stop, or if enlargement of the Treatment Plant is in order. Which way we go is not as important as participation by the citizens of the Town of Rangeley in the affairs of the Town.

Respectfully submitted,

Jerome Guevremont, Chief Operator

### RANGELEY SEWER COMMISSION REPORT

To the Citizens of Rangeley, Maine:

We, the Sewer Commission, would like to first thank all of you public spirited people who took an interest, be it personal or whatever, in our task this year.

The year for us started off in quite a jumbled up mess. Of the five members on the board, four of us were newly elected. We prepared the budget with little or no knowledge of the Sewer Department. When we submitted the budget, it was submitted with the promise that the next year we would know more about it.

And then the turmoil began. Some of us joined the Commission because we were disappointed in its inequities. We wanted a fair and just system on water meters.

In 1980 the Town voted to charge by a certain schedule and people were not being billed according to this schedule. Why? We don't know. We decided

## TOWN OF RANGELEY ANNUAL REPORT

to go by that schedule. We also came up with a system where any business with water meters could be charged by what they used.

It was only by asking around and the public's cooperation that we found out who had water meters.

After a little public outcry about our billings, we settled down to make sure that no future commissions would get into the position we were put in.

On the average, meetings were held two or three times a month to try to reach a goal of a well-organized Commission. One that would run smoothly and not leave a lot of gaps and misunderstandings. Not one meeting was cancelled due to a lack of a quorum.

By-Laws were drafted and the Sewer Ordinance was brought up-to-date to accommodate new growth and more modern techniques.

An effort was made to convert the user to water meters. We, the Commission, feel that in order to have each user pay for only what he uses, meters are a must. It is the only fair and equitable way to resolve rate users charge.

We are sorry to say our first try wasn't as successful as we had hoped due to lack of support from the residential user. It is only with the cooperation of the users that we can make this a fully metered system.

Through the use of personal computers, the user list was computerized. We found and corrected existing errors in charges and ownership. Through the use of these computers we were able to spend much more of our time on other important details. We feel there is a definite need for a computer in our department.

Some equipment was replaced at the Sewer Plant. There is a great need to replace more of the equipment due to the fact that they aren't being manufactured anymore.

A small portion of the collection system was dug up and repaired with new techniques. The total cost to date of repairing this section over the years is \$3,700.00. It is our belief that this new technique will keep the frost problem under control. This is the third time this section has been repaired due to the fact the line is too shallow. There is over 3,000 feet of frost damaged pipe, because it is less than six feet deep, with the average frost penetrating an average of 9 feet.

## TOWN OF RANGELEY ANNUAL REPORT

Due to a concern that all messages weren't being received or properly relayed, the Commission approved the purchase of an answering machine to be installed at the Sewer Treatment Plant.

A part-time secretary was hired to accurately record our meetings and assist in handling all the paperwork we were generating. We feel any and all changes, and communications should be on paper for future reference.

The Sewer Commission now has an office in the basement of the Town Office Building where we keep a record of all our meetings and actions and correspondence. We meet the second Tuesday of every month. Other special meetings are duly posted.

Some of the changes we are working toward are: becoming more computerized; quarterly billing for metered customers; repairing all frost damaged pipe; replacing out-dated equipment at the Sewer Plant; encouraging an orderly growth of users; all users billed according to water meters; and still maintaining a reasonable budget.

E. Fraser, Chairperson for the Sewer Commission

## TOWN OF RANGELEY ANNUAL REPORT

### ANNUAL REPORT OF THE RANGELEY REGION GUIDES' AND SPORTSMEN'S ASSOCIATION

January 15th, 1986

To The Citizens of the Town of Rangeley:

Our many thanks for your appropriation voted at the March 1985 Town Meeting. We appreciate your support so very much.

Again, the Association conducted a very successful Hunter Safety Course with various ages participating and 15 graduating in February 1985. Instructors were: Charles Steward, Patricia Walker, Alfred Fontaine and Kenneth Copeland, all certified instructors for the State of Maine. The Association has purchased a BB air rifle kit to be used for indoor ranges. Floyd Flagg, coordinator for the State, praised the Association for their very successful Hunter Safety Course and mentioned we were very well organized.

The Junior members worked with the Senior members during the winter months to cut and bag cedar for the deer feeding program. Local woodsmen have been very generous with their help.

If citizens cannot reach a local game warden when needed, please call Augusta and they in turn will reach a warden close by. Toll free 800-322-3606 between the hours of 8 A.M. and 5 P.M. - after 5 P.M. 800-452-4664 reaches the State Police Barracks in Augusta and they will be able to reach an area warden.

The Industrial Arts Department at the school built 10 wood duck boxes for placement in the Rangeley area in an attempt to lure wood ducks back to the region. Students are given credit for this work.

We will be sponsoring 4 youths in the summer of '86 at the Conservation Camp in Ellsworth, Maine as no one applied the summer of '85.

A new screen was set in place in Oquossoc - 14' long, 2" wide and 16" high. The old screen was so full of holes that the salmon and trout were swimming downstream. Beams have been purchased to replace the cribbing that holds the screen in place and this project will be completed during the summer months. Another summer project will have the members at the screen cleaning out debris in the entire area.

Again, thank you all.

Respectfully submitted,

June L. Copeland  
Secretary

## TOWN OF RANGELEY ANNUAL REPORT

### REPORT OF THE RANGELEY PARK COMMISSION

1985 was a year of change within the Park Commission. Myself, Donna Chapman and Eugene Helinski were all newly elected to join Joyce Blackwell and Edwina Green in the committee to oversee maintenance of both Rangeley's Lakeside Park and the Oquossoc Park.

Usage of both parks continues to increase by local residents and visitors. The visual appearance of the parks is important to users as well as passers by. As a result, the Oquossoc fence project fell behind schedule with the decision to erect one style of fence along the park boundary rather than the two different styles initially planned. The toilet facility will also be shielded and maintained in order to improve the visual impact of the park.

Rangeley's Lakeside Park was the center of attention during events in all seasons. Snodeo, the Moose Run, Fireworks, Wild Mt. Time and other events brought many people to the park to enjoy time outdoors with family and friends. The Park Attendant, Clint Polland, and Lifeguard, Melissa Haines, oversaw the park on a daily basis.

Improvements in Lakeside Park in 1986 include rebuilding a picnic table shelter, removing dead birch trees, repairing the boat launch floats and repairing damage to the public restrooms.

Capital expenditures will continue for the next several years as the Park Commission plans to repair and maintain picnic facilities, docks, mowing equipment and to eventually undertake the major repair job needed to the two Lakeside tennis courts.

On a final note, the Committee is aware of a number of requests for recreational programs. This prompts the Commission to recommend the revitalization of a Town Recreation Committee. This Committee could oversee waterfront activities, summer programs, and usage of the Town Ball Park behind the Town Office. We urge any interested citizens to contact the Rangeley Town Manager to explore the various recreation options.

Respectfully submitted,

Greg Sweetser, Chairperson  
Edwina Green  
Joyce Blackwell  
Donna Chapman  
Eugene Helinski

Town of Rangeley	\$350.00
Sandy River Plantation	50.00
Dallas Plantation	60.00
Flu Shot Clinic	101.00

#### EXPENDITURES:

Flu Shot Vaccine	\$434.25
------------------	----------

Health Council Balance as of February 7, 1986 is	\$989.88
--	----------

Thank you to all the members of the Health Council for their time and effort in the various Health Council endeavors.

To insure that the Health Council can continue working for Rangeley and its surrounding plantations, I would like to encourage any interested volunteers and friends to become part of this organization. The purpose of the Health Council is to promote and aid sound health practices and to assist town health professionals in their efforts to provide health service and information. If you have ideas on topics we might cover through public presentations; suggestions for where donations might help a health oriented project; or if you would like to be a member of this organization, please contact a Health Council Member or the Town Office. We *need* your help to make this a productive venture.

Respectfully submitted,

Donna DeRaps  
Rangeley Region Health Council

## TOWN OF RANGELEY ANNUAL REPORT

### RANGELEY LAKES REGION CHAMBER OF COMMERCE

1985 was a banner year for the Rangeley Region for people coming to visit and vacation. The Restaurant and Lodging sales for Rangeley and the three plantations increased by 28% for the year to \$2,700,000. These figures are accumulated by the State for sales tax purposes.

The Chamber has been very active as a result. From the attached tables it can be seen that, while the Town's appropriations have remained essentially the same, the overall income to the Chamber increased about 13%. These monies come from member dues, money received from members for cooperative ads, and finally, donated money by members to advertise our Region - particularly radio and television.

The increase in Reservation Center income to \$7,159 reflects commissions received from booking reservations at member establishments. This growth will continue as long as the Chamber members work together and advertise together. It is our feeling that we get much better response and subsequent business by advertising together.

In the 13 years that I have lived here, it is most satisfying to see the tourism and vacation aspects of the Town's business grow and prosper. This not only profits the restaurant and lodging folks, but also triggers substantial growth in building and the trades. I look forward to continued progress in this area and to the Chamber making a significant contribution to it.

Respectfully submitted,

Edward Carpenter, President

Rob Ellis	Marcia Beisler	Phyllis Thomas

Children's programs continued to be vigorous. During the school year Head Start and the Little Mountain School came twice monthly for film and story programs. The summer of 1984 saw the popular Fun Time and Adventurer groups flourishing, with field trips to the Norlands, the Wilhelm Reich Museum, etc. An innovation was the Huneycomb Theatre, a one-woman song, story and puppet show, held in the Library yard. This, as well as the Norlands trips, and supplies for the annual Pet Show, was funded by the Rangeley Rotary Club.

The Library belongs to the Central Maine Library District, and to the Small Public Libraries Association, a sub-group of the Maine Library Association. Both of these groups meet semiannually, and this Library is represented at them. The Central Maine Library District began a series of books review meetings, in which Miss Tullis and Miss Laverty participated; in return for their reviews, the Library is given copies of books.

Our book collection is readily augmented by the interlibrary loan system. A toll-free call to the State Library can usually produce any requested non-fiction work, either from Augusta or another library. During the fiscal year, some 86 books were borrowed on this basis.

COMMENT: In 1984-1985, the Librarian's illness, and subsequent absence from work, affected the payroll expenses for the year.

## TOWN OF RANGELEY ANNUAL REPORT

### RANGELEY FIRE DEPARTMENT - 1985

	Company #1	Company #2
Structure	3	1
Chimney	10	4
Forest-grass	0	3
Vehicle	1	0
Dump	1	7
Emergency	2	2
False Alarm	1	0
Meetings	11	11
Practices	8	10

This past year Oquossoc Co. #2 acquired a rebuilt 1972 Mack pumper to replace their old 1949 Dodge pumper which went to a collector of antique fire trucks. We are all thankful that it did. The new Mack is everything we had hoped for and we are all pleased with its performance, so far.

We again received a grant from Rural Community Fire Protection, administered through the Maine Forest Service, for a high band mobile radio for the Mack truck. We also installed a mobile radio in Company #1's Chevy truck. These radios are proving invaluable to us, with the remoteness of the area we serve.

Two of our members successfully completed the Firefighter 1 course, given in North Franklin County this past summer.

We again had representation at the Maine State Federation of Firefighters Convention in Farmington, in spite of Hurricane Gloria appearing on the same weekend.

It is time to think about a new firehouse in Rangeley as the old one has outgrown it's usefulness. It is overcrowded and it is impossible to house any late model fire truck, unless it is custom built to fit, making it extremely expensive.

We would like to thank the members of Companies 1 & 2, the Selectmen and citizens of Rangeley, Sandy River Plt., Dallas Plt., Rangeley Plt., the Red Phone Ladies and our Ladies Auxiliary for their continuing loyalty, interest and support.

Respectfully submitted,

Brian Ellis, Fire Chief  
Rudy Davis, Captain Co. #1  
Howard Lewis, Captain Co. #2

## TOWN OF RANGELEY ANNUAL REPORT

### REPORT OF THE RANGELEY SNO-DRIFTERS

Our club has been busy again this season with trail cutting and grooming. Some trails have been re-located or closed due to lumbering operations. We are fortunate to have had a good snow year, and we wish to thank the land owners again for letting us create this trail network. Without their cooperation and generosity, snowmobiling would be non-existent in the Rangeley area.

Special thanks also to all of the people and local businesses who have donated money and labor in support of our trail system. A list of donors will be in the Rangeley Highlander at a later date.

#### FINANCIAL AID RECEIVED FOR 1985-1986

Total Grant (Grooming - \$28,200.00    Cutting - \$2,600.00)		\$30,800.00
State of Maine	(70%)	21,560.00
Rangeley Sno-drifters	(30%)	9,240.00

#### ACCOUNT OF FUNDS RAISED BY SNO-DRIFTERS

Town Appropriations:	
Town of Rangeley	4,000.00
Rangeley Plantation	300.00
Dallas Plantation	500.00
Snowmobile Registration Refunds:	
Town of Rangeley	1,098.00
Rangeley Plantation	96.00
Dallas Plantation	90.00
Sandy River Plantation	12.00
Donations from Business and Individuals (To Date)	2,770.00

#### ACCOUNT OF FUNDS DISPERSED

Frosty Trails Grooming Contract - Dennis Frost	
4 payments at \$7,050.00 each	28,200.00
Cost of Cutting	2,600.00

#### OFFICERS FOR 1985-1986

President	Larry Koob
Vice President	Phil Bernier
Secretary	Elaine Brownlee
Treasurer	Mary Thomas
Trail Committee of 10 members	

Respectfully submitted,  
  
Larry Koob, President

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

My father once stood silently before a gathering of city officials who had met to honor him. Not knowing what to say in response to this unexpected situation he broke into rhyme:

"Speaking pieces hard and tough  
I've spoke two lines and that's enough.  
Thank you from the part of my heart  
reserved for deepest emotions."

He then sat down.

What a temptation it is for me, after only seven months as your Superintendent, to quickly say two lines and sit down; but I know my responsibility requires a bit more.

I am well aware of the commitment the citizens of Rangeley have made to education - both philosophically and monetarily. With this knowledge constantly before me it is and will be my aim:

to work diligently with your school committee in preparation for those hard decisions constantly brought before them,

to develop a sense of stewardship that will assure you that your hard earned dollars are being spent for those things worthy of your toil,

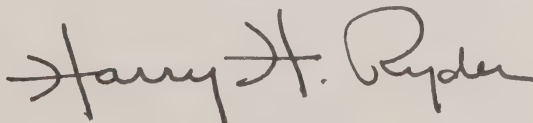

to establish, reinforce, and maintain the highest standards of professionalism by teacher and staff,

to never, never forget that the only reason we are here is to provide the very best for boys and girls. This will be done through a co-ordinated curriculum, consistent behavioral standards, encouraged parental involvement, and thoughtful inspiration.

My father left this world a better place because his actions spoke louder and longer than his words.

I publicly pledge all my efforts toward the same results.

Respectfully,

A handwritten signature in dark ink, reading "Harry H. Ryder". The signature is written in a cursive, flowing style with a large, prominent "H" and "R".

Harry H. Ryder

TOWN OF RANGELEY ANNUAL REPORT

*School Superintendency Union No. 37*  
*Rangeley Lakes Regional School*  
RANGELEY, MAINE 04970

OFFICE OF THE PRINCIPAL

February 3, 1986

To the Residents of Rangeley,

The last school year has been exciting and fruitful for RLRS. We have instituted several changes for the student population, grades K - 12.

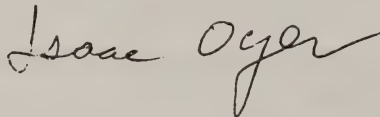

A speech and drama course for high school students has been added to help fulfill the newly mandated State fine arts requirement. A full-time health course for all freshmen has also been added for this reason.

Art is now being taught at the elementary level, and the elementary physical education program has been revamped. A reading course has also been put back into the junior high curriculum at the eighth grade level.

The Tuesday ski program has been expanded to offer each student a physical activity with additional choices of an indoor aerobics program, X-country skiing and snowshoeing.

We at RLRS welcome your help, input, and visitations during the next year.

Educationally yours,

A handwritten signature in cursive script, reading "Isaac Dyer". The signature is written in dark ink and is positioned above the printed name.

Isaac Dyer

## BUDGET COMMITTEE REPORT - 1986

The below figures reflect the actual budget and not the comitment figure.

Education	\$800,300.00
General Government	98,792.00
Recreation	12,672.00
Chamber of Commerce	26,500.00
Protection	117,157.32
Library	7,000.00
Health & Sanitation	112,497.45
Highways	167,320.00
Revaluation	10,000.00
General Assistance	2,500.00
Unclassified	15,244.00
Debts Service and Interest	25,808.06
County Tax (estimated)	50,000.00
<b>TOTAL</b>	<b>\$1,445,790.83</b>

The Total budget figure includes funds received from State Subsidy for Education, Tuition, Assessment from Plantations for Superintendent's Office, Federal Revenue Sharing, Block Grant, and Excise Tax.

## TOWN OF RANGELEY ANNUAL REPORT

### TOWN OF RANGELEY WARRANT

TO: Ernest Allen, Chief of Police in the Town of Rangeley, in the County of Franklin:

Greetings:

In the name of the State of Maine, you are hereby required to notify and warn the voters in town affairs to meet at the Rangeley Lakes Regional School in said Town on Monday the 10th of March 1986, at 10:30 in the morning, then and there to elect a Moderator for said meeting, after which time said meeting will recess until 7:30 p.m. to act on the remaining articles. During the recess, the polls will be open for balloting of Town Officials by qualified voters at the Town Office Building from 11:00 a.m. to 5:30 p.m.

#### ARTICLE 1

To choose a Moderator to preside at said meeting.

#### RECESS

Polls open 11:00 a.m. to 5:30 p.m. at the Town Office Building.

#### ARTICLE 2

To choose all necessary Town Officers, Committees and Commissioners for the ensuing year not covered by the secret ballot system.

#### ARTICLE 3

To see if the Town will vote to fix a date when taxes shall be due and payable, and to see if the Town will fix a rate of interest, if any, to be charged on taxes after a specific date.

**Recommendation:** That taxes for the year 1986 shall become due and payable upon receipt of bill, and that interest of 1% per month be charged after the 30th day of September on all taxes unpaid after October 31st.

#### ARTICLE 4

To see if the Town will vote to give a discount on 1986 taxes of 4% for the first 30 days after date of commitment.

## TOWN OF RANGELEY ANNUAL REPORT

### ARTICLE 5

To see if the Town will vote to authorize the Selectmen in behalf of the Town to sell to owner of record, or otherwise by public bid, and dispose of any real estate acquired by the Town for nonpayment of taxes thereon, on such terms as they deem advisable, and to execute quit claim deeds for such property.

### ARTICLE 6

To see if the Town will vote to authorize the Selectmen in behalf of the Town to sell and dispose of personal property and equipment owned by the Town as they deem necessary and appropriate for carrying out normal Town operations.

### ARTICLE 7

To see if the Town will vote to fix a date when sewer charges shall be due and payable, and to see if the Town will fix a rate of interest, if any, to be charged on sewer charges after a specific date.

**Recommendation:** That sewer charges for the year 1986 shall be due upon receipt of bill, and the interest of 1% per month be charged after the 30th day of September on all sewer charges unpaid by November 1st.

### ARTICLE 8

To see if the Town will vote to relinquish their well rights on a parcel of land shown on Rangeley Tax Map 30 Lot 18 also shown in a Deed recorded in the Franklin County Registry of Deeds Book 873, Page 129, to Anthony Jannace Jr. his heirs and assigns and to authorize the Selectmen to issue deeds or documents that are necessary.

### ARTICLE 9

APPROPRIATION OF \$30,000.00 OF FEDERAL REVENUE SHARING PAYMENTS TO THE TOWN OF RANGELEY.

To see what sum of money the Town will vote to appropriate from the Revenue Sharing Fund to be used in the following manner:

**Recommended by the Selectmen and the Budget Committee.**

1985		1986
\$ 9,000.00	Winter Road Account	\$ 5,000.00
6,000.00	Summer Road Account	.00
7,000.00	Sewer	7,000.00
10,000.00	Revaluation	10,000.00
4,200.00	Airport Loader and Blower	.00
.00	Closing Landfill	8,000.00
<hr/>		<hr/>
\$ 36,200.00		\$ 30,000.00

## TOWN OF RANGELEY ANNUAL REPORT

### ARTICLE 10

To see what sum the Town will vote to raise and appropriate for the Rangeley Library Association for the year 1986.

Requested by the Library Association, and

**Recommended by the Selectmen and the Budget Committee.**

1985  
\$ 7,000.00

1986  
\$7,000.00

### ARTICLE 11

To see what sum the Town will authorize the School Committee to expend for the Fiscal Year beginning July 1, 1986 and ending June 30, 1987 from the Foundation Allocation, Debt Service Allocation, Unexpended Balances, Tuition Receipts, Local Appropriations, State Subsidy, and other receipts for the support of Schools.

Selectmen of Rangeley

John H. Brackett, Chairman  
Howard E. Gurney  
Barbara J. Jones  
Dean P. Morrison, Sr.  
Harlan E. Doak

## ARTICLE 48

To see if the Town will vote to approve the following resolution:

### ARTICLE OF RESOLUTION

Be it resolved that we, the citizens of Rangeley, declare our unity with the citizens of the municipalities located in the areas of our State which have been designated by the Federal Department of Energy (DOE) as potential High Level Nuclear Waste sites. A High Level Radioactive Waste dump anywhere in Maine will profoundly affect the agriculture, tourism, land values, businesses, health and character of our State and will lead to the disintegration of our communities.

The transportation of High Level Radioactive Waste will also endanger the health and safety of over half of Maine's population. We, therefore, declare our total resistance to any plan to dump High Level Radioactive Waste in Maine and pledge our support for and unity with the inhabitants of all designated communities.
